Dorothy Day Tampa study groups: We wrapped up our third group on 7/13/2022. Our fourth virtual group beginning 9/7/2022 is forming. CRM (Customer Relationship Management): We are onboarding to **Bloomerang**. This robust accounting and donor management system is critical in developing infrastructure for a working ministry to be handed over to a permanent Board of Directors in 2023.

Next steps: Location search: A team of Dorothy Day Tampa supporters are exploring various commercial real estate options as a ministry starter location. Please join them in keeping your eyes and ears open for a donated/sublet space, unused church building, land, etc., to transform our vision into reality.

Come and journey. We invite those interested to join us at the initiative’s ground floor for a six-week virtual study of Dorothy Day’s autobiography, *The Long Loneliness*. We will introduce and explore Dorothy Day’s model of hospitality, as our development team begins a two-year ministry development process to create a fully functional Dorothy Day Tampa.

Ann’s Reflection: The work of Healing

“Up to now, top-down religion has pretty much spoiled the show. We need trained experts, scholars, leaders, and teachers, but the truths of Christianity must be available, localized, and pastoral. Most people do not need to have an encyclopedic knowledge of theology or scripture. To begin with, why not flatten out the huge and unbiblical distinction between clergy and laity?”

Remember, healing was most of the work Jesus did.

This fact is too obvious. My vision of any future church is much flatter and much more inclusive. Either we see Christ in everyone, or we hardly see Christ in anyone. Simply put, any notion of a future church must be a fully practical church that is concerned about getting love done - and done better and better.” - Richard Rohr, OFM

Healing experiences in my life have allowed me to better understand the joy of resurrection. After a diagnosis of chronic diseases at a young age, I have had many extended periods of illness, followed by healing. Each of these times of “resurrection” invigorated me physically, spiritually and emotionally and always gave me a deeper hope for my future. In gratitude for this gift of 70 years of life, healing, and resurrection joy, I try to love better and better.

“For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future”. Jeremiah 29:11.

“Up to now, top-down religion has pretty much spoiled the show. We need trained experts, scholars, leaders, and teachers, but the truths of Christianity must be available, localized, and pastoral. Most people do not need to have an encyclopedic knowledge of theology or scripture. To begin with, why not flatten out the huge and unbiblical distinction between clergy and laity?”

Remember, healing was most of the work Jesus did.

This fact is too obvious. My vision of any future church is much flatter and much more inclusive. Either we see Christ in everyone, or we hardly see Christ in anyone. Simply put, any notion of a future church must be a fully practical church that is concerned about getting love done - and done better and better.” - Richard Rohr, OFM

Healing experiences in my life have allowed me to better understand the joy of resurrection. After a diagnosis of chronic diseases at a young age, I have had many extended periods of illness, followed by healing. Each of these times of “resurrection” invigorated me physically, spiritually and emotionally and always gave me a deeper hope for my future. In gratitude for this gift of 70 years of life, healing, and resurrection joy, I try to love better and better.

“For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future”. Jeremiah 29:11.

Dorothy Day Tampa study groups: We wrapped up our third group on 7/13/2022. Our fourth virtual group beginning 9/7/2022 is forming. We are excited with early RSVPs from a St. Leo U. professor and the Ministries Director for Hyde Park United Methodist. To register, <https://www.dorothydaytampa.org/>

CRM (Customer Relationship Management): We are onboarding to **Bloomerang**. This robust accounting and donor management system is critical in developing infrastructure for a working ministry to be handed over to a permanent Board of Directors in 2023.

Next steps: Location search: A team of Dorothy Day Tampa supporters are exploring various commercial real estate options as a ministry starter location. Please join them in keeping your eyes and ears open for a donated/sublet space, unused church building, land, etc., to transform our vision into reality.

Come and journey. We invite those interested to join us at the initiative’s ground floor for a six-week virtual study of Dorothy Day’s autobiography, *The Long Loneliness*. We will introduce and explore Dorothy Day’s model of hospitality, as our development team begins a two-year ministry development process to create a fully functional Dorothy Day Tampa.
