“People say, what is the sense of your small effort. They cannot see that we must lay one brick at a time.” – Servant of God Dorothy Day

What is the story behind Dorothy Day Tampa? In 1989, Catholic Worker, Sr. Char Madigan, shared with us the plight of her residents struggling to find housing surrounding her St. Joseph’s Women’s Shelter for women and children.

Her ‘seed planting’ request – *“help transform a square block surrounding her shelter to transitional homes for her women and children.”*

Dorothy Day vision carrier - Sr. Char introduced us to Servant of God, Dorothy Day, founder of the Catholic Worker Movement. Her shelter model was a Dorothy Day House.

St. Joseph’s Women’s Shelter – Minneapolis MN

Solution Minneapolis: In 1989, the neighborhood was filled with vacant land and deteriorating housing. As founding board members of HOPE, we acquired land no one else wanted and began rehabbing the block surrounding the shelter, house by house. Starting with one property at a time, today Hope Community www.hope-community.org has 253 rental apartments (70% affordable), HOPE’s offices and community center, small businesses, large community gardens, and outdoor community spaces, representing a community empowerment blessing and a potential long-term model for Tampa to replicate.

How we began in Tampa: in response to seeing our most vulnerable and voiceless citizens; our homeless neighbors still living on our streets, our hearts and minds returned to Sr. Char and Dorothy Day. **We asked: how do we introduce Dorothy Day to our Tampa community?** Answer: a series of six week virtual studies of her autobiography, *The Long Loneliness*.

On May 11th, 2022, we will complete our second, six-week study of Dorothy Days’ examples of loving our neighbors’ *differently*, and a third study group starts June 8th. Our 20+ attendees, new Dorothy Day vision carriers, understand that hospitality may not always change the status of homelessness; however, mutual relationships with loving volunteers will offer these neighbors a safe space and a sense of dignity, respect, and belonging in our community.

We will replicate the best practices of Peace House Community and Gracepoint Wellness’s - The Coffee Shop – Tampa’s lone homeless drop in center. Dorothy Day Tampa, Inc. is officially a Florida nonprofit Corporation. The 501 c3 (IRS tax exempt status) paperwork is being filed in May. We continue the logistical development, including finding a physical location! *Ann M. Doyle*

DOROTHY DAY TAMPA | IN DEVELOPMENT – *radical hospitality*

Come and journey. We continue to invite those interested to join us at the initiative's ground floor for a six-week virtual study of Dorothy Day's autobiography, *The Long Loneliness*. We will introduce and explore Dorothy Day's model of hospitality, as our development team begins a two-year ministry development process to create a fully functional Dorothy Day Tampa. We plan to continue the study groups to engage and nurture participants as vision carriers to further develop Dorothy Day Tampa and begin providing services.

"There are two ways to look at your life – the Well-Planned life vs the Summoned life." – David Brooks, *The Summoned Life*

If you are a person leading a *Summoned Life* and asking, **"What are my circumstances asking me to do?"** we welcome you to explore joining and journeying in faith with us. **Our third virtual study group, starting June 8th 2022, is forming.** For details, please contact Michael 813-466-9166 (cell).

"I want a change, and a radical change. I want a change from an acquisitive society to a functional society, from a society of go-getters to a society of go-givers." – Peter Maurin, Catholic Worker Founder, 1933

"My life looks very different than Day's did, but her witness continues to prod me out of the deep ruts in today's political and ideological discourse. Her daily, radical faithfulness dares me to imagine a world made new." - Tish Warren, *The New York Times*

If replicating Dorothy Day's radical hospitality, in service to our most underserved Tampa neighbors, resonates with you as an undertaking deserving your support, we welcome your *"ground floor"* financial help at any level.

"It takes energy to sustain the broken connection within us; splitting our lives from our values. We want to address injustice but stay silent while the environment is ravaged and families sleep in the streets. When we shrink from the world, our souls shrink, too." – Paul Rogat Loeb, *Soul of a Citizen*
